

# ArtMUSE For Kids

Playing Through the History of Art

---

## Girl Scout Brownie Try-It Workshop!

### Colors and Shapes

Color, line, shape, pattern and texture are some of the tools artists use to create masterpieces.

Brownies will complete four hands-on projects while learning about the formal qualities of art, exploring the concept of artistic collaboration, and viewing a selection of artwork by well-known artists. Each girl will earn the Colors and Shapes Try-It.

### ArtMuse Comes To You!

ArtMuse will bring all supplies and materials to present the workshop at your troop meeting location. 90 minute program. \$12/girl, minimum 10 girls per program. Additional fees may apply for locations outside St. Louis County.
